## We're in Pre-launch Phase Right Now!

0

Posted on 09. Mar, 2009 by Shaun.

We are now in the final stages of production on the Thirty Day Traffic Blueprint. What was originally a detailed book has been turned into a modular membership site based on feedback from our beta testers. But we're not quite ready for primetime. Chances are, you got here because you followed a link in the Blogging [...]

## Using Keywords to Target the Right Niche (1A-1)

0

Posted on 09. Mar, 2009 by Shaun.

It all starts with keywords. We're going to briefly look at why you need to perform keyword research to be successful. We'll then move on to discuss exactly what makes a good keyword, and I'm going to share with you some solid guidelines on optimal traffic and competition profiles. You can use these guidelines to [...]

## Using Keyword Tools to Add Reliability to the Process (1A-4)

0

Posted on 09. Mar, 2009 by Shaun.

Keyword research can be tedious, but it is essential. With premium tools, you can do the exact same research that we did earlier, but faster. Your results should still be the same, provided you took your time and completed the competitive profile in the previous video. Here is a demonstration of keyword research using Market [...]

## Preparing Your Web Property for Traffic (1B-2)

0

Posted on 09. Mar, 2009 by Shaun.

In this video, we're going to look at getting your blog properly optimized for traffic. Wordpress takes a lot of work out of this, but there are still several vital settings you'll need to attend to.

With the domain name selection tips in the previous video, and the optimization tips in this video, you can [...]

## Cloaking with the Affiliate Stealthifier

0

Posted on 09. Mar, 2009 by Shaun.

Quick Update: I thought you might like to use my Affiliate Stealthifier plugin for cloaking your links. This is normally sold as part of the Six-Figure Plugin Suite. Here's your download and a short video on how to use it.

## Traffic Approach and Operational Considerations (1C-1)

0

Posted on 09. Mar, 2009 by Shaun.

In this video, we're going to be laying out the principles behind much of this traffic blueprint. We'll also discuss the hand-off from active promotional efforts to passive organic traffic, and where that hand-off occurs. We'll then discuss our specific approach and close out with some operational considerations that will guide you on topics like [...]
